About this property

On the 2nd floor of a beautiful Haussmann-style building, Groupe Vaneau presents a 235 m2 family and reception apartment. Standing alone on the landing of this guarded building, the apartment offers spectacular views of the Eiffel Tower and the Trocadero Palace. Recently completely refurbished, it combines contemporary style with period features: parquet floors, moldings, fireplaces and 3.30 m high ceilings. The reception area, featuring a triple living room, dining room and large fully-equipped kitchen, measures over 100 m2. The private part: a master suite, 3 children's bedrooms, a bathroom, two shower rooms and 3 toilets. A double cellar and a utility room in the building, plus a parking space in the immediate vicinity, complete this exceptional property.
